GULF WESTERN OIL | REDCAT INDUSTRIES | PARKER | LOADMAN | AIRTARPS AUSTRALIA | YORK | BENDIX | EDBRO & MORE

Specialising in truck and trailer parts is just part of the long list of services we offer our customers and our parts range has just got a whole lot bigger and better now that Sloanebuilt Trailers has moved to its new, bigger, better factory in the booming Smeaton Grange, NSW, industrial area with the aid of our well stocked spare parts warehouse.

Making the best brands and products available for our customers is a major commitment we make to our customers to keep them on the road with minimal down time. We stock the parts that we know our customers trailers need like only a manufacturer would know and we've got the skills on hand to organise the repairs or replacements if you don't have the time or resources.

*Sloanebuilt are stocking more of what you need in our new spacious parts store and Spare Parts Van. You can also grab your spare parts and accessories in our online store and have them shipped direct to your door. We're making it easier and more efficient to get spare parts to you sooner.*
